To Whom It May Concern:

We have been working with CLE Holistic Health Ltd since 2013. We have found their products to be very effective for our patients, especially the supplement Alistrol, which has a very successful customer re-order rate in our clinic. CLE Holistic Health is a very professional and responsive company to work with, great products and customer service. We consider their products to be professional grade, high quality supplements and are happy to offer them to our patients.

Sincerely,

Richard Keim, DC
